

Conference Welcome Reception

at “Bar Tamariz”

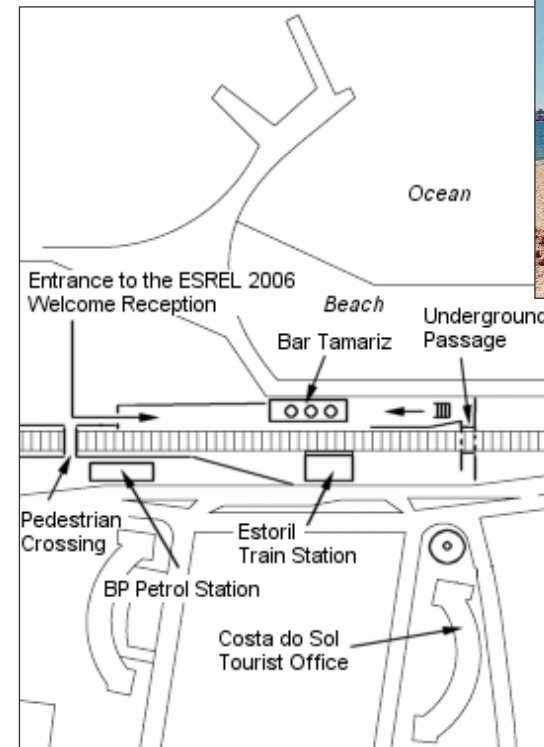

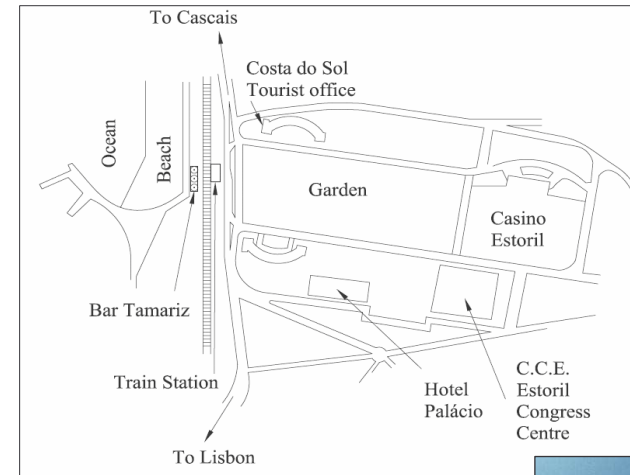

on Sunday, 17th September between 18h00 to 20h30

The ESREL 2006 Welcome Reception will be held at “Bar Tamariz”, overlooking the “Tamariz” beach and has a privileged view of the Atlantic Ocean stretching beyond.

Please find below a sketch map of Estoril and the surrounding areas, including the Estoril Congress Centre. The “Bar Tamariz” can be found just behind the Estoril Train Station.

How to reach the “Bar Tamariz”:

- ✓ By taking the subway entrance just in front of the Costa do Sol Tourist Office, and just before reaching the beach, there are some steps to your left duly signed-posted for the ESREL 2006 Welcome Reception. This leads to the “Bar Tamariz”. If you continue through the subway you will reach the promenade on by the beach.
- ✓ Alternatively, as you will see, there is an open pedestrian level crossing just behind the BP Petrol Station (please take due care of incoming trains when crossing). Once you are over the crossing, the entrance to the Bar Tamariz is immediately on your right.
- ✓ Finally, by going down Rua de Olivença, a side road from the main road running through Estoril called the “Estrada Marginal”, just in front of the Sana Estoril Hotel, it will lead directly to the Entrance to the Bar Tamariz and the Welcome Reception, as well as onto the promenade and the beach.
